1.

For he/she's a jolly good fellow,
For he/she's a jolly good fellow,
For he/she's a jolly good fellow
And so say all of us,
And so say all of us,
And so say all of us,
For he/she's a jolly good fellow,
For he/she's jolly good fellow,
For he/she's a jolly good fellow,
And so say all of us,

2.

We won't go home until morning
We won't go home until morning
We won't go home until morning
Till day-light doth appear
Till day-light doth appear
Till day-light doth appear
We won't go home until morning
We won't go home until morning
We won't go home until morning
Till day-light doth appear

3.

The bear went over the mountain
The bear went over the mountain
The bear went over the mountain
To see what he could see
To see what he could see
To see what he could see
The bear went over the mountain
The bear went over the mountain
The bear went over the mountain
To see what he could see

4.

The other side of the mountain
The other side of the mountain
The other side of the mountain
Was all that he could see
Was all that he could see
Was all that he could see
The other side of the mountain
The other side of the mountain
The other side of the mountain
Was all that he could see
